PREFINISHED DECORATIVE BATTENS & BOARD

rethink
your design
environment

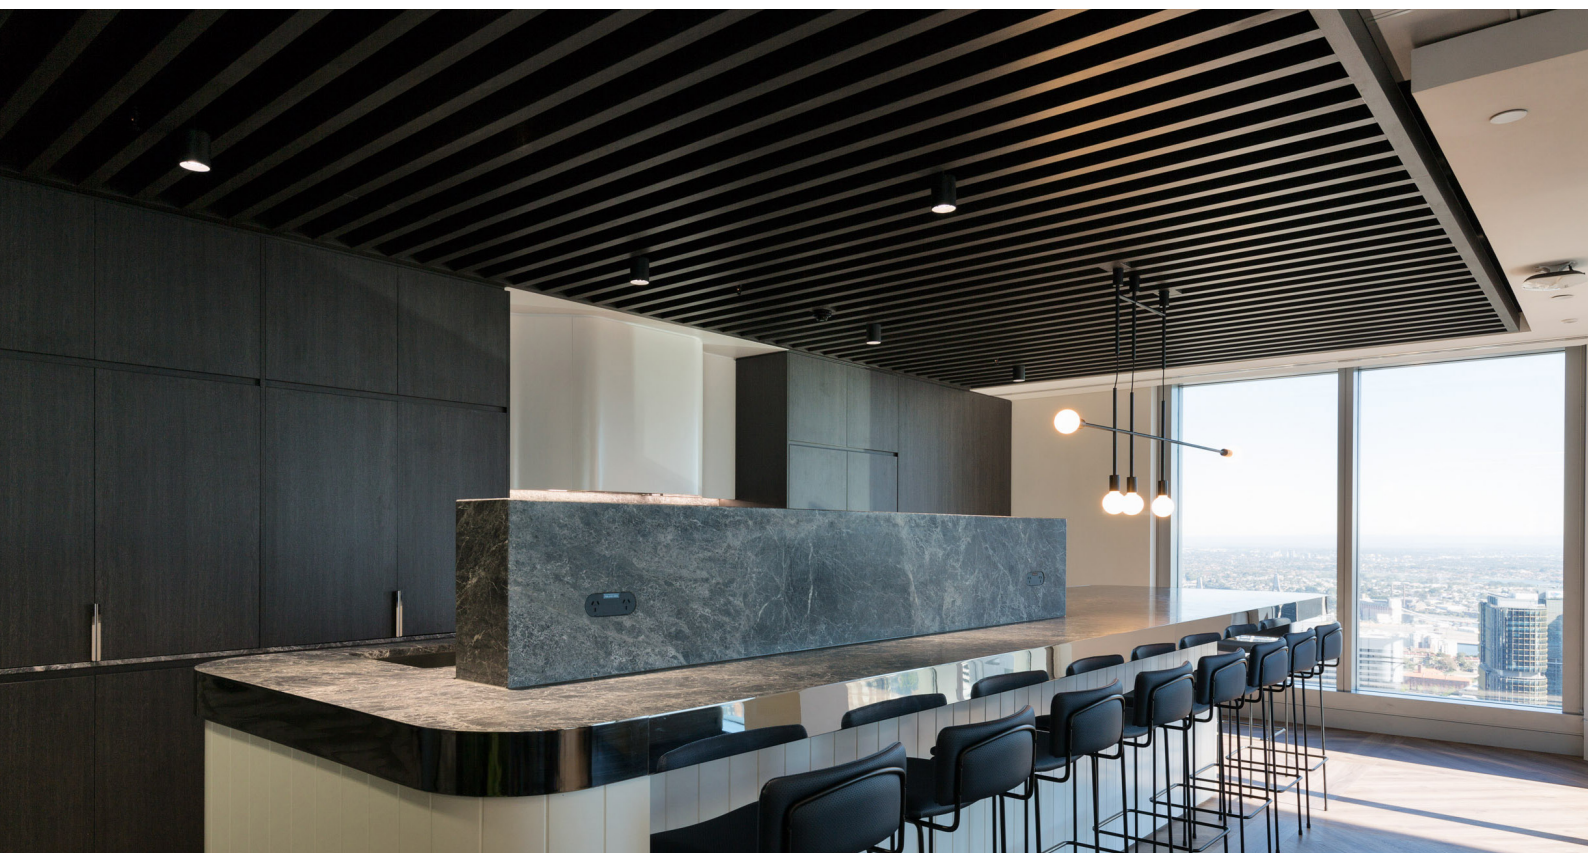

"Design is
so simple.
That's why it is
so complicated"

Paul Rand

□ | imiwood

imiwood introduces an exciting method of design using prefinished decorative battens. Presented in a comprehensive range of colours with one hundred percent matching board, imiwood provides the authenticity and warmth of natural timber with the convenience of a ready to install decorative batten.

imiwood range of decorative battens are manufactured in Australia using high quality overlays wrapped around an mdf e-zero substrate leaving only one seamless join. These overlays are pvc-free, environmentally friendly and abrasive resistant. imiwood is the perfect timber alternative providing design continuity and a dimensionally stable product. imiwood can be used in a variety of internal applications including feature walls, ceilings and screening.
